

ANNUAL COCKTAIL PARTY DEDICATED TO THE LOYAL CLIENTS OF ADIS LTD

"To be able to fill leisure intelligently is the last product of civilization, and at present very few people have reached this level."

Bertrand Russell

04.06.03. Sofia, Bulgaria

The traditional cocktail party of ADIS Ltd., dedicated to the loyal clients of the company, was held this year, too. The event took place in the enchanting setting of Boyana Diplomatic Club. A large number of the guests were representatives of diplomatic missions and foreign business companies in Bulgaria, distinguished businessmen, politicians and leaders from the country's cultural life. At the party one could hear to various world languages but the prevailing tone during the whole evening was the one of good manners.

The sunny weather and the fresh mountain air were in complete harmony with the good mood of the guests, wonderfully maintained by the hospitality of the hosts of the party - Mr Deyan Kavrukov, CEO of ADIS Ltd. and his charming wife. A string quartet performing classical music added to the luxurious atmosphere of the party, and the artfully arranged catering dishes were a delight to the refined taste of the distinguished guests. A large part of them shared that it is the discrete luxury and the elegant style of the club that make it their preferred place for rest and relaxation during the whole year.
